Hawker Beechcraft Corporation Names New Asian Sales Representative

HONG KONG (Sept. 3, 2007) – Hawker Beechcraft Corporation (HBC) has reached an agreement with Avion Pacific Limited to be an authorized sales representative for its Hawker and Beechcraft aircraft including special mission applications in China, Hong Kong and Macau. Avion has ordered two Hawker 4000s, two Hawker 900XPs and two Hawker 750s for their customers for delivery in 2009.

Avion Pacific Limited is a China- and Hong Kong-based aviation management, consulting, marketing and operational support company. Their main office is in Shekou with sales offices in Beijing and Shanghai, along with operational bases in Tianjin and Shanghai.

“The principles of Avion have a long history of delivering superior aviation services to the Chinese and international markets,” said Ted Farid, vice president of New Business Development for Hawker Beechcraft Corporation. “Their experience will help bridge the gap between the emerging Chinese general aviation market and the Western aviation business community, providing assistance and support to the civil aviation authorities and operating companies in building a safe and professional operational standard in China.”

Hawker Beechcraft Corporation is the world’s leading business, special-mission and trainer aircraft manufacturer – designing, marketing and supporting aviation products and services for businesses, governments and individuals worldwide. The company’s headquarters and major facilities are located in Wichita, Kan., with operations in Salina, Kan.; Little Rock, Ark.; and Chester, England, U.K. The company leads the industry with a global network of over 100 factory-owned and authorized service centers.
